File: Kane Co. Class II Landfills

NOTICE

The Western Kane County Special Service District #1 is requesting the renewal of the permits to operate the Kanab Class II Landfill located approximately three miles southeast of Kanab and the Long Valley Class II Landfill located approximately one mile south of Glendale in Kane County. Each landfill may accept nonhazardous solid waste that may include municipal waste, commercial waste, construction/demolition waste, conditionally exempt small quantity generator hazardous waste, and special waste. The permit application has been reviewed by the Utah Division of Solid and Hazardous Waste and a draft permit has been prepared. The *Utah Solid and Hazardous Waste Act* provides for a public comment period to receive comments on the application and the draft permit prior to final action by the Executive Secretary of the Utah Solid and Hazardous Waste Control Board.

The public comment period for the application and draft permit will commence on December 3, 2003 and end on January 7, 2004. A public hearing may be held if the hearing is requested within 15 days of the publication of this notice and otherwise meets the requirements of Utah Administrative Code R315-311-3(2).

The application and draft permit is available for public review on the internet at: <http://www.hazardouswaste.utah.gov/hpc-1.htm> or as hard copies during normal business hours at the following locations.
